

# TOTAL COUNTER (MOSAIC TYPE)

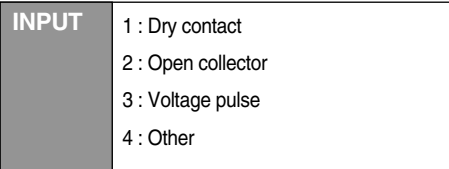

SHN-1200

SHN-1200 is a graphic counter that is easy to installation by miniaturize and light weight.

- It is also contains back up function;  
It is memorized the indication values of power failure before state.
- To easy to read, taking high bright red FND.

## MODEL & SUFFIX CODE SELECTION

## GENERAL SPECIFICATIONS

Input	Pulse
Power Supply	AC 24V or DC 24V $\pm 10\%$ approx 2VA
Display	7 Segment & 6 Digit
Scale	999999 Count
Input Impedance	62K $\Omega$
Frequency Range	2KHz(Max)
Open Collector Sensing	DC 12V at 3mA
Pulse Amplitude	500mV(p-p) ~ 50V(p-p)
Duty Ratio	10~90%
Operating Temperature/Humidity	-20~50°C/ 30~90%
Dimensions	W75×H25×D108
Case Material	ABS Resin(black)
Weight	About 220g
Mounting	Panel (Graphic Panel)Mounting
